

# slingbox® M1

The most affordable way to turn any device into a TV - anywhere.

Slingbox is your TV—anywhere. Watch and control your live and recorded movies, sports, or TV shows anywhere, anytime with this WiFi-enabled box—in up to Full HD. Slingbox gives you full access to your DVR to watch or set recordings, and lets you pause, rewind or fast-forward what you're watching. Slingbox turns your tablet, phone or laptop into a TV even overseas—all you need is an Internet connection. No blocked shows or games on any device and no monthly fees. Never miss a final episode or live event. View them when you want, where you want with Slingbox.
