Outstanding Performance

Both the Samsung SCX-4016 and SCX-4216F offer you the power and speed to upgrade your business.

- Print/copy speed (A4) : an amazing 16pages/minute at 600 x 600 dpi, the fastest in their class.
- Fax memory : with 4 MB of memory, you can store up to 320 pages. (SCX-4216F only)
- Scanning resolution : up to 4800 dpi (via USB interface) lets you create digital copies of important papers and visuals.
- Fax forward : ensure important faxes are forwarded automatically to remote place you selected, while you are out of the office. (SCX-4216F only)

- SmarThru™ : Easy document handling software with which the scanned images can directly be sent by email, fax or converted into electronic document or HTML with just one simple click.

Advanced Digital Capability

Samsung digital MFPs save time, are easier to operate and give you greater editing capabilities.

- Digital editing capability : irregular sized originals can be reduced up to 25 % or enlarged up to 400%. You can also auto-fit non-standard sizes and create clone copies.
- ID copy : both the front and the rear sides of personal identification documents can be easily copied on one page.
- Copy collation : automatically sorts multi-page copies. (SCX-4216F only)

Economical Features

The SCX-4016 and SCX-4216F are not only competitively priced, they also have built-in features to save you money.

- Toner save button : allows you to save up to 40 % of your toner so you can replace cartridges less frequently and save your money.
- Toll save button : programme your machine to send your faxes after peak day-time call rates go down for the evening. (SCX-4216F only)
- Paper saving : Combine two or four originals on one page.

**250
SHEETS**

Paper capacity:
250 sheet cassette

Stunning Design

The SCX-4016 and SCX-4216F are ergonomically designed for ease of use, with a size and shape to complement any modern, small office setting.

All-in-one technology :
digital printer/scanner/copier/
plus fax (SCX-4216F only)
